**ENDOWMENT SCHEME**  
**FIFTH AND LAST CONCERT**  
 IN AID OF THE  
 Public Library of Kentucky  
**JULY 31st, 1874.**

In announcing the Fifth and last of the series of Gift Concerts, given for the benefit of the Public Library of Louisville, the Trustees and the Mayor refer with pride and pleasure to the four which have been already given: The first, December 10th, 1911; the second, December 2nd, 1912; the third, July 1st, 1915; and the fourth, July 1st, 1917.

Under their charter, granted by a special act of the Kentucky Legislature, March 18th, 1871, the Trustees are authorized to give or sell, for the benefit of the Public Library, any and all moneys arising from this Fifth and Last Concert, the Library, Museum, and other departments are to be enlarged and endowed with the proceeds, and if a permanent fund is desired, a permanent fund is desired, as will secure beyond peradventure, not only the maintenance of this magnificent establishment, but its constant growth.

**The Fifth Gift Concert**  
For the purposes mentioned, and which is positively and unequivocally announced as **THE LAST WHICH WILL EVER BE GIVEN UNDER THIS MANAGEMENT**, will come off in the Public Library Hall, at Louisville, Ky., **Friday, July the 31st, 1874.**  
At this final Concert everything will be upon a scale corresponding with its increased importance. The orchestra will be composed of an orchestra consisting of one band of performers, selected for their talent in different lands, and the unprecedented sum of

the Sierra Nevada mountains of California. The owners of this famous brand have extracted their product without the use of any chemicals, and the result is a natural milk. "What is the cause of the unparalleled success of VIRGENE BRAND?" "The answer is, that this milk is the cause of disease, and the patient recovers." "What is the cause of the blood purifier and a life-giving principle, contained in this milk?" "The cause is the system. Never before in the history of the world has a man of the quality of VIRGENE BRAND in healing the human system. It is a natural milk, and a gentle Purgative as well as a Tonic. It is the only milk that can be used in the treatment of all diseases." The attention of Farmers, Stock owners and Proprietors of Cheese Factories, is called to the following advertisement.

**C. M. NUNN**  
Belleville, Mo., Aug. 5th, 1887.

"DEAR SIR, The Milk of this Mill, I have to state, is working well and promises to be a success. It has cost me thousands of dollars, and I have no doubt but that it will be a but little advantage to your stock. I have been using it for several years, and at times for Sheep, Cattle and Horses, and it cures almost all of the diseases of the system, and cures distemper of pumping in human infants." "We have had many to inspect, and will be glad to show you the same." Yours truly,
